MEMORANDUM FOR THE RECORD

SUBJECT: Survival Radio (ASR 100) Ref Memo dated
31 January 1972 attached

25X1A 1. [redacted] was contacted this date via Green phone on progress of solid battery pack for the ASR-100 radio.

25X1A 2. [redacted] has been given the project to see if they can adapt a solid battery that will fit into the present battery pack without increasing the size and weight of the radio.

25X1A 3. [redacted] thinks he will have an answer within two (2) weeks from [redacted] and will let us know the outcome of this research.

31 January 1972

MEMORANDUM FOR THE RECORD

SUBJECT: Survival Radio

1. A meeting was held at [] DDP, Headquarter's
Building 4 February 1971 on Survival Radios.

25X1A

[] Office of Communications Division
(CD) attended the meeting.

2. The purpose of this meeting was to improve
the present survival radio, ASR-100, and to discuss
a replacement radio for the ASR-100A.

3. Improvement for ASR-100:

a. All ASR 100's be upgraded to ASR-100A

b. Solid battery pack to replace pen-light batteries.

4. It was agreed that all ASR-100A's be phased out in
the next three to five years and be replaced with a better
radio. The technical features of the replacement radio
was discussed in detail.

5. Inquiries were made by phone to [redacted] on 25X1A
the upgrading of the ASR 100 and replacement radio.
There was very little being accomplished and the program
was almost at a standstill.

6. On 27 January 1972 [redacted] was called 25X1A
again for follow-up on the ASR 100 and new radio, mainly
to check on the solid battery pack for the ASR 100A.

[redacted] no longer works with the survival radios.

He was replaced by [redacted] who is stationed at 25X1A

[redacted] was called on the 25X1A

subject. He was not familiar with the radio improvements,
but would follow-up.

7. On 28 January 1972, [redacted] called and 25X1A
stated he had researched the subject and was up to date.
Very little has been done to this date. [redacted] 25X1A
assured us that a follow-up would be done and would
keep us informed on the progress.
